VISIT OF PROVOST

The provost and K. Gibbons joined the meeting at 3:20 P.M.

Research Funding-

Research funding has topped \$1 billion, and the U-M has been awarded 190 stimulus funding grants so far.

Budget-

This year will be challenging, and cutbacks are underway. Core values must be preserved, however. Cost containment will be directed at thinking strategically. Centralization of some activities or services may prove to be cost-effective. New travel and hosting guidelines have been released. The biggest change will involve implementation of per diem rates. If this proves problematic, faculty should contact the provost's office. In some units, local rules are more stringent than general university rules.

In the current fiscal year, the State budget is \$9.6 billion, but only \$6.7 billion in revenue is projected for next year.

Rec Sports-

The provost's office is considering changing the reporting line of Rec Sports as well as other recommendations in a recent report. Acquisition of the Pfizer property (NCRC) with its own fitness facilities is a new factor in the case.

The guests left the meeting at 3:45 P.M.

CHARGE TO CESF

Chair Thouless asked SACUA members to offer suggestions for CESF activity this year. Suggestions included renewed interest in learning total compensation rates at the U-M, erosion of benefits in relation to peers, and preservation of retiree health benefits.

ACTION OF SACUA 092109-1

SACUA charges CESF with reporting total compensation rates at the U-M, documenting erosion of benefits in relation to peers, and anticipating challenges to retiree health benefits, and, further, to offer recommendations to faculty governance on each issue with attention to equity across employee categories.

The motion was approved by unanimous vote.

[REGENTS' BYLAW 5.09 PROCESS](#)

Chair Thouless called attention to distributed item 3. He invited a motion approving the statement. Professor Rothman moved (Lehman seconded):

ACTION OF SACUA 092109-2
SACUA approves the process document.

The motion was approved by unanimous vote.

SENATE ASSEMBLY APPORTIONMENT

Chair Thouless reviewed the current census of University Senate members by unit and discussed apportionment and attendance at Senate Assembly meetings. Consensus emerged that the Assembly roster continue to number 74 regular seats.

ACTION OF SACUA 091509-3

SACUA asks Senate Assembly to declare that if a member of the Assembly is absent from 3 consecutive Assembly meetings without requesting an alternate, the seat shall be declared vacant and shall not count against quorum.

The action was approved by unanimous vote.

OLD/NEW BUSINESS

There was no other business.

The meeting entered executive session at 4:45 P.M. to discuss a matter relating to composition of the Advisory Board on Intercollegiate Athletics.

The meeting adjourned at 5:00 P.M.
