Guests Present: David Spahlinger, Executive Vice Dean for Clinical Affairs

Presenter: John Allen, Chief Clinical Officer, UMMG

Topic of Discussion: Advanced Practice Providers Summary Update

Dr. Rishindra Reddy (Chair) opened the meeting with introductions of the MAAC members. Dr. Reddy discussed the need to meet monthly throughout the year including when Dr. Runge will not be present.

The October MAAC meetings minutes were approved and Dr. Rishindra will submit to the Faculty Senate.

Dr. Spahlinger provided background information as to how and why the APP changes are necessary.

Dr. Allen gave an overview of the Advanced Practice Providers summary and update. The group discussed issues needing attention, including proper documentation compliance and MiChart templates that are continually revised. Additional engagement at the Chair level was also suggested.

Dr. Runge asked the group for feedback on using MiChart. The group commented that there are several different ways to enter information into the system and it's difficult to keep up with new templates and training. Having medical students help with documentation was suggested as well as the need for NP onboarding guidelines.

Dr. Reddy reminded everyone that we will now meet in 7323 moving forward and the meeting was adjourned.

The next MAAC meeting is scheduled for Wednesday, January 16, 2019 at 7:30 am in the Dean's Conference Room #7323, Med. Sci Bldg. I
