## UNIVERSITY OF MICHIGAN

### *Faculty Senate Resolution on e-Voting*

Whereas, Article I of The University of Michigan Rules of the University Senate, The Senate Assembly and the Senate Advisory Committee on University Affairs Last revised January 2009, provides that the University Senate (hereinafter Faculty Senate) may adopt rules concerning its own government and procedure.

Whereas, taking into consideration the difficulty of obtaining a quorum for Faculty Senate meetings, the Faculty Senate wishes to approve the use of e-voting for Faculty Senate business.

Whereas, toward this end, Faculty Senate wishes to authorize Senate Assembly to adopt procedures on its behalf to ensure that meetings that precede the use of e-voting are deliberative.

Be it resolved that the Faculty Senate hereby adopts a rule approving the use of e-voting for Faculty Senate business contingent on Senate Assembly approval of written procedures that ensure that meetings that precede the use of e-voting are deliberative.
