Bill Schultz – College of Engineering Faculty, SACUA Lliason

Guest: Steve Dolen, Executive Director, Logistics, Transportation and Parking

### DISCUSSION

#### 1. Introductions

2. A vigorous and sustained discussion of parking continued with Steve Dolen.

Some interesting comments were

- A. Parking is at full capacity at peak hours
- B. New projects have increased headcount significantly without a corresponding increase in parking spaces near central campus.
- C. A number of possible solutions to the problem are being discussed.
  - a. Car sharing.
  - b. On-demand shuttles
  - c. App support for either of the above.
  - d. Additional satellite lots.
  - e. Other technological fixes.
- D. Congestion on bus routes is a significant and growing problem.
