Mon 04/23/18	12 Noon	4100 SNB (426 N. Ingalls @ Kingsley)	Steve Gendler, <small>Director, Laboratory Research And Technology Solutions, MSS</small> HITS / Electronic Research Notebook

Report

Committee Charge: As the voice of faculty, the ITC shall advise and consult on policy, procedures, and issues related to the broad range of University IT activities. The committee's advice shall be sought and given in a timely manner so that the advice could affect the decision-making outcome. Broadly explore the University IT needs, barriers, successes, and opportunities. Write annual report to SACUA. Invite guests from diverse units, schools, institutes, setting, ranks (faculty, students, staff), etc. that may have unmet IT needs, provide powerful IT services, or have visionary ideas for improving the IT infrastructure on campus.
