

## ITC Meeting Notes (2/26/2018)

**Attendees:** Kincaid Brown, Sharon Geva, Ivo Dinov, Raj Mangrulkar, Andy Palms, Yannis Paulus, Ken Varnum

### Discussion items:

- Monika Presented the LS&A efforts part of the [ISS \(Instructional Support Services\)](#). ISS supports about 1/2 of all UMich classrooms and has about 77% utilization rate (avg). LS&A undergrads: 20K. Old space and lots of space to manage ...
- [Mason Hall](#) (on the main Diag) is occupied over 14 hrs/day – many students/student orgs reserve rooms for activities well into the night.
- LS&A has a [DB of classrooms](#): it allows searching, selection and reservations of rooms in 15 Schools/Colleges. This allows matching: class-type, RO requests, scheduling, instructor needs, and desired student experiences.
- Tim McKay's group to [reinvent the large Foundation classes](#) (e.g., Stats 225). [CRLT FCI](#).
- ISS is mostly for LS&A faculty, however they work with faculty in other colleges, resource/time permitting.
- Discussion of "[Digital Natives vs. Digital Immigrants](#)" ...
- Rationalize "*Why would prospective undergrads come to a brick-n-mortar University, like UMich, instead of pursuing virtual education?*" Hands-on, student-to-student, student-to-faculty/mentor Experiences, etc.
- (Per Yanni) Flipped classrooms and classroom-organization from 14 ft<sup>2</sup> (traditional space) to 20 ft<sup>2</sup> (modern) classrooms. Discussions, case-based learning, classroom-activities, Asynchronous communications. Laptops/loT/BYOD hands-on activities, podcasts, video productions, ...
- Yellowdig (social media), copyrights, ...
