Agenda

- **Aim 3** - Establishing a survey to inform on the trajectory of salaries per gender/race.
 - o Last meeting suggestion: contact Luke McCarthy in the Faculty Senate Office regarding how to go about conducting this survey
 - o This meeting: I will report on this point after meeting Luke McCarthy.

- **Aim 2** - Identify policies to protect faculty from student's retaliation when students are not satisfied with their grades.
 - o Last meeting suggestion: Committee members to provide specific examples of this type of situation occurring at the University of Michigan to illustrate the need for administrative support against academic freedom of faculty. A google doc is to be submitted by Eric to collect this information.
 - o This meeting: Committee members will discuss these examples and decide how we can incorporate them to strengthen Aim 2.

- **Aim 1** – so far, this aim remains vague – we should converge our efforts to start budling this case.

- Call for agenda items: Committee members, please add below items for discussion.

- Call for committee member nominations. Of particular interest are non-tenure track faculty, though all nominations are welcome.
