

CESWF committee

Date: 01/09/2023

Agenda

- Approval of the previous meeting minutes.
- Brief introduction/welcome of our guest Dr. Jennifer Linderman.
- Brief description of what we want to achieve in Aim 3.
 - a. The CESWF is currently discussing with the Faculty Senate Office Director, Luke McCarthy, how we might request that the UM Provost Laurie K. McCauley implement a new study of the current data regarding faculty salaries per gender and race/ethnicity as well as faculty rank and department.
 - b. The goal from this meeting is to identify parameters that should be included in the letter sent on behalf of the CESWF committee. We want our letter to represent accurately what needs to be included in the new study.
 - c. The overall goal from this effort (request of the new study) is to obtain current data on faculty salaries in order to track progress and identify gaps.
- Open floor for discussion with Dr. Jennifer Linderman to identify the parameters that should be included in the new study.
- Discuss whether we should request that the faculty salaries to be conducted at all three campuses. Discussion led by Chris and/or John.
- Summary of the parameters identified – Request approval from the committee.
- Identify a subcommittee to draft a letter on behalf of the CESWF committee.

- **CESWF committee: if you have item agenda that you want to raise, please add below and send it to me before the meeting.**

Yasmina Laouar, Ph.D.
Associate Professor
Department of microbiology and Immunology
