

Restructuring Resolution: Technical Correction

On April 19th, SACUA voted in the affirmative to make a minor technical correction in the implementing resolution to expand the University Senate in order to resolve a textual ambiguity in Attachments A and B. Revised language in both attachments now reads as follows:

For the purposes of Senate Assembly apportionment, UM-Dearborn members shall constitute a “UM-Dearborn” unit; UM-Flint members shall constitute a “UM-Flint” unit; and all Librarian, Archivist, and Curator members from all campuses shall constitute a “Library” unit of the Senate Assembly.
