AAAC Planning Meeting

1. Call to order and approval of the minutes
2. Disability advocacy updates
 - Status of SPG review
 - The Provost is actively learning from the disability community – she has called a meeting with some of the campus disability leaders for Nov 30. Emmanuelle will attend and can report on this afterwards. One emerging aspect that AAAC could push with the Provost is how UM should become a leader in disability scholarship through faculty hiring, culture change, targeted funding, etc.
 - Robert Adams, Remi Yergeau and Ann Jeffers are interested in participating in the discussion with the Provost on the SPGs (i.e. separate from a AAAC meeting).
3. Faculty wellness and decisions on AAAC next steps – Colleen Conway
4. Next steps on any other charge items
5. Matters Arising

Adjournment
