

The University of Michigan
Senate Assembly
Resolution #9232024

The Senate Assembly calls upon the University's administration to pause the implementation of the revised Statement of Student Rights and Responsibilities, and asks that the Administration would respect the collaborative role of students, staff and faculty in formulating changes to this policy, following the process now under way under the leadership of the Student Relations Advisory Committee.

Approved by the Senate Assembly on September 23, 2024
