Additional Notes

- The census data was collected on October 3, 2025.
- The above headcount does not include all members of the Faculty Senate. Per the Senate Rules, this headcount only includes those faculty with at least a 50% appointment in the listed units. For example, there are faculty with primary appointments in the U-M Institute of Firearm Research who, while Faculty Senate members, are not included in this headcount because their unit is not one of the listed units with proportioned Senate Assembly representation. The full Faculty Senate headcount, on the date of this census, was 7,793 faculty.
