

AGENDA

Information Technology Committee (ITC)

Wednesday, January 21, 2026

Location: virtual via zoom

Agenda Items

1. Call to order and approval of the minutes
2. AI in education
 - AI in Education Working Group update – VP Pendse
 - ITC discussion and input for the Working Group
3. IT department engagement with the general public
 - Given the current national political situation, there is an emphasis on showing how state universities do indeed help the state and not just help themselves. Are there things about IT here that should be publicized? Are there activities being considered (such as more interaction with schools)?
4. ITC member questions, concerns, and/or topics of interest
5. Initial plans for the February 25th ITC meeting
